Please share with teachers, librarians, tech and curriculum coordinators, students, parents, friends, and anyone else who may be interested. Especially, give to those working with **Grades 1-5**.

FEATURES

- low readability, high interest
- easy to navigate
- once logged on, there are no external links, no ads, no pop-ups
- layout of the report pages is consistent
- photographs may be used in student projects
- Quick Facts charts are consistent within a topic
- content of Quick Facts chart is not repeated in the text
- text, written by teachers, is 100-250 words using short sentences, larger type size, one idea in a sentence
- a school-specific URL is given to each subscribing school for easy student login
